Bleed Area

Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing during the print finishing stages.

Trim

Your job will be cut on the solid black line, any images or text placed in this 3mm area may be trimmed off incorrectly.

Safe Area

Keep all your information inside the white area. Remember to use high resolution images (300dpi) for the best results.

Crease Guide

Be aware of any artwork that goes over this guide, as the finished product will be creased here.

Front

A diagram of a rectangular box with a thick gray border. The interior is white and divided into two equal halves by a vertical magenta line. Each half contains a dashed gray line forming a rectangular frame. The left half is labeled 'Inside Left' and the right half is labeled 'Inside Right' in magenta text.
