## Bleed Area

Anything here will be trimmed off. Remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing during the print finishing stages.

## Trim

Your job will be cut on the solid black line. Any images or text placed in this 3mm area may be trimmed off.

## Safe Area

Keep all your information inside the white area. Remember to use high resolution images (300dpi) for the best results.

## Crease

Your job will be creased on the solid magenta line
