Front

## **Bleed Area**

Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing during the print finishing stages.

## **Trim**

Your job will be cut on the solid black line, any images or text placed in this 3mm area may be trimmed off incorrectly.

## **Safe Area**

Keep all your information inside the white area. Remember to use high resolution images (300dpi) for the best results.

## **Crease Guide**

Be aware of any artwork that goes over this guide, as the finished product will be creased here.

The diagram shows a rectangular area representing a book spread. A solid vertical line runs down the center, dividing the space into two equal halves. Each half is enclosed by a dashed line, creating an inner frame. The left half is labeled 'Inside Left' and the right half is labeled 'Inside Right' in blue text.

**Inside Left**

**Inside Right**
