## Front

### **Bleed Area**

Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing during the print finishing stages.

### **Trim**

Your job will be cut on the solid black line, any images or text placed in this 3mm area may be trimmed off incorrectly.

### **Safe Area**

Keep all your information inside the white area. Remember to use high resolution images (300dpi) for the best results.

### **Crease Guide**

Be aware of any artwork that goes over this guide, as the finished product will be creased here.

A diagram of a rectangular box with a thick blue border. The box is divided into two equal halves by a vertical magenta line. Each half is labeled with blue text. The left half is labeled 'Inside Left' and the right half is labeled 'Inside Right'. The interior of the box is white, and the text is centered within each half.
